

E^VOLVE WITH ASSESSMENT April 2018

IMPLEMENTATION PLAN

Due today (April 6th)! I will not run this report until Monday morning. Please utilize the weekend if you have not yet completed this task. Remember, you are providing me with the big picture of how you can support the Division's new tactical plan. Consider this task a "rough draft." *Shout out to CLS for being the first office to submit!

CAMPUS RESOURCE: OIRA FACT BOOK

Curious to know how your departmental data compares to university-wide data? The Fact Book contains a wealth of information prepared by the Office of Institutional Research and Assessment (OIRA). This resource can be overwhelming at first glance, so we have created a guide for you. Check out <https://oira.utk.edu/stats> and find our guide to this data hot-spot on our website [here](#). These resources can be used to benchmark metrics for success.

*"An admirable plan, Mr Gribbs,
but short on detail"*
