ASSESSMENT PLAN KUDOS

Kudos to **University Housing** and **RecSports**, who have both successfully completed Assessment Plan Phase I for one of their three assessment plans!

For DSL annual reporting, each department selects and assesses three outcomes that align to both the Division tactical and University strategic plans. The Phase I Planning Phase helps outline everything needed prior to data collection. Once plans are submitted, OASI provides feedback within 1-2 days.

For more information or assistance, email or [schedule a time to connect with OASI Director, Melissa Brown](#).
